Re: Boise Cascade Street Vacation

Dear Ron:

I checked with the Elgin newspaper, and much to my dismay, was informed that the notice was not run for four consecutive weeks. Apparently, the editor neglected to publish the notice for the fourth week. This, of course, will necessitate republishing in the newspaper for four consecutive weeks and the re-posting of notice at the vacation site.

I am enclosing the new notice with the necessary date changes. Kindly post these in the same location as the others.

Also, call the Elgin Recorder office and inform them of the correct dates to be run in the newspaper publication.

If there are any questions, do not hesitate to call.

Sincerely,

GARY J. SUSAK

Re: Street Vacation

Dear Ron:

You have handed to me a copy of the petition filed by Everett J. Thoren, which contains numerous objections to the vacating of certain streets in the City of Elgin. You have asked me to respond to Mr. Thoren's objections.

I have carefully reviewed the petition and the citations cited therein, and I am of the opinion that it does not contain legally sufficient reasons to deny the street vacation. Paragraph I of the objections filed by Mr. Thoren are totally irrelevant to the street vacation proceedings. Paragraphs II, III and IV relate primarily to street vacation proceedings in unincorporated areas. Obviously, therefore, they are not applicable to the City of Elgin. Paragraphs V, VII and VIII cite ORS 449.781 et seq. and these statutes relate to the functions of the Environmental Quality Department in relation to air pollution. Obviously they have no bearing on street vacation proceedings. Paragraphs VI, IX, and X allege that the papers filed by Boise Cascade Corporation in the street vacation proceedings are defective. I have read these papers over and I could find no error. In summary, therefore, I believe that Mr. Thoren's request to deny the street vacation is without legal substance.

The street vacation proceedings instituted by Boise Cascade were pursuant to ORS 271.080. This statute requires that in a petition for a street vacation there shall be appended to the petition the consent of the owners of all abutting property and of not less than two-thirds in the

Cascade complies with this provision, but you may wish to check to make sure that this is the case. I understand that a hearing has now been scheduled on the petition for the street vacation. At the hearing, the City Council will hear objections to the petition and they should determine that the consent of the owners has been obtained, and notice has been duly given and that the vacation of the streets is in the public interest. After the hearing, the City Council may grant the petition in full or in part and make such reservations as appears to be for the public interest.

If you have any further questions respecting this street vacation, please feel free to contact me.

SUMMERVILLE NEWS

By Edith Tuck

A large group of friends and relatives met in the Oddfellows hall in Summerville to honor Christy Sanderson on Friday evening. Miss Sanderson will be married on Easter Sunday. Thelma Oliver one of the hostesses baked and decorated a lovely cake for the occasion.

Mr. and Mrs. Verial Sanderson have their new home under construction near Summerville on Mill Creek. Fred Calhoun is the contractor. The Sandersons came from Washington.

Mrs. Ida Sanderson who recently broke her hip and arm has been up and hopes to return to her home soon.

Recent visitors in this area were Mr. and Mrs. Wayne Gorham and two sons from Dillon, Montana.

They visited his two brothers Merrill and Darrell and their families and his grandparents, Mr. and Mrs. Arthur Gorham, and other friends and relatives in the valley and La Grande. Wayne works for John Deere Implement Company in Dillon and is a former Summerville resident.

The Oddfellows gave the hall dining room a new coat of gym seal. The ladies met and made name tags and

programs for the coming 75th celebration on April 8.

The Herman Windolfs returned to their home near Hillsboro and Marilyn Oliver returned to Corvallis where she is a junior in college.

The skating party held for the young people of the Summerville Baptist Church was a huge success and they all enjoyed a chili feed at the church following the event.

The plan to build a multi-purpose gym by the Summerville Church has been canceled and instead they will think in the direction of a mobil education unit. Some research is already underway on this project.

Due to the pastors absence next Sundays service will be conducted by Jim Boorman, the pastor will be in the Baker church. He will return for the evening services.

Mrs. Salter is caring for Mrs. Hazel Fuller in Imbler while her broken arm is healing. Her two nieces have returned to their homes in Salem.

Reasons for Request:

Our ~~the~~ Elgin Complex yard is expanding Eastward to S. 20th St. Our ownership is adjacent to both sides except on S. 20th which is owned by Don ~~the~~ Tom.

We feel that vacation of these street segments will be advantageous to Elgin and BCC because

1. Two streets are unnecessary
2. It will minimize safety problems and liability due to unrestricted public travel in BCC yard.
3. It will preclude future construction cost for City.
4. It will place additional land on tax rolls.

Elam City Council - June 13, 7:20P

We present a problem for your consideration and request permission to initiate legal proceedings to vacate the following streets:

1. Bird St west of S. 17th, 115.7' long, presently leased to BCC. Previously leased to Thom-Wideman Ld Co.
2. S. 20th Ave. South of Bird St - 17.349' unconstructed street.
3. Bird St. between S. 20th and 21st ... which is an unconstructed street.
4. Alder St between S. 20th and 21st from Everett Thomsen SW corner
